

Raeburn Success Story

Laura Baxter - HR Associate / PA

Laura Baxter, BA (Hons) registered with Raeburn for advice and guidance on how to progress after completing her degree.

Laura's degree had covered a variety of subjects so, during her registration interview with Raeburn, Laura's Recruitment Consultant discussed her previous work experience, career aspirations, and the type of vacancies of interest to her.

Laura was, subsequently, informed of an internal vacancy within Raeburn and she was delighted when she was offered the job! Laura now supports Raeburn's Operations Director and is enjoying the variety of her role.
