

WORKING WITH US

Flexible hours

Raeburn Healthcare can accommodate guaranteed or flexible working hours. We provide care services 24 hours a day, 365 days per annum in a variety of settings. We also offer some contracted Home Carer positions providing care to our clients within their own homes.

Great rates of pay

Raeburn Healthcare offer competitive rates of pay with enhanced rates at the weekend. Holiday pay is accrued depending on the number of hours worked.

Access to free training with relevance

Initially a full day of induction training is given and thereafter mandatory and regular training updates are provided. A variety of specialised on-the-job and class-based training is delivered by our healthcare professionals.

Our reputation for excellence

Raeburn Healthcare has been established for over 20 years and provides the highest standard of care to our clients. This is reflected in our excellent Care Commission report. Raeburn Healthcare never takes this position for granted and adopts a Continuous Improvement philosophy to maintain its Best-in-Class position.

24-hour support from our team

We provide a 24 hour, 365 day per annum on-call support service which is manned by experienced Raeburn Healthcare staff to give support to both our clients and our care staff.

Work locally

Raeburn Healthcare has been established in the Aberdeen area for the last 20 years and can offer you work locally with guaranteed or flexible hours.
